## DESCALER CTP LIQUID ACIDIC DETERGENT

### MATERIAL & FUNCTION

DESCALER CTP is a highly concentrated low foaming acidic detergent formulated for C.I.P. applications, descaling of stainless steel surfaces, for the removal of mineral deposits and the removal of rust and brightening of meat hooks and gambrels in abattoirs and meat processing establishments.

DESCALER CTP is suited for use in food and meat export establishments.

### APPLICATION

#### Dairy Applications

DESCALER CTP is recommended to be diluted between 5 to 10 mL per litre of water at 75<sup>0</sup>C for circulation for descaling of evaporators, pasteurizers, cream treatment units, vacuum pans, concentrators, pre-heaters and other high temperature equipment. Circulate for 20 to 30 minutes depending on degree of scale and soiling. Drain to waste and rinse thoroughly.

#### Meat and Fish Processing Plants

DESCALER CTP also finds application for the complete rust removal and surface brightening of Stainless Steel equipment including meat hooks, gambrels and rollers used in meat processing plants.

DESCALER CTP should be diluted at between 3:1 and 5:1 in water (ie 3 parts water to 1 part DESCALER CTP). The bath used should be cold and the immersion time should be approx 4 - 5 minutes.

#### General Applications

DESCALER CTP at dilution of 8 mls per litre of water on stainless steel benches and equipment will remove mineral deposits that cause dulling of tops etc, and leave a bright like new surface. Thoroughly rinse. Operator to use gloves.

DESCALER CTP can also be used for descaling and removal of Calcium deposits around the house - Shower Recesses, Toilets, Urns, Kettles and Dishwashers. For dishwashers - fill machine with hot water, add half a cup of DESCALER CTP and circulate through wash cycle. Repeat if necessary.

### CAUTION

DESCALER CTP is acidic and contact with skin should be avoided. If splashed, thoroughly wash skin with water and remove contaminated clothing.

### PACKAGING

1 Litre, 5 Litre, 15 Litre, 20 Litre, 120 Litre, 200 Litre & 1000 Litre containers.
