HAND SAN is an alcoholic based hand cleaner. It finds application in food processing areas in the food industry as a convenient hand sanitizer.

APPEARANCE

HAND SAN is a clear liquid with an alcoholic odour.

APPLICATION

Wash hands thoroughly with potable water. Lightly spread the hand sanitizer on to hands, rub hands together to ensure complete contact of total surface of the hands with the sanitizer and allow hands to air dry. Do not over use the product as excessive use may cause defatting and consequent cracking of the skin

PACKAGING

800 mL dispenser pouch, 1Litre & 5 Litre containers.

IMPORTANT NOTICE TO CUSTOMER

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. **ALWAYS TEST FIRST.**
